MEDICINAL.

Despondency

Is often only a symptom of dyspepsia. In dyspepsia there is a loss of nutrition which is felt by brain as well as body; the mind grows morbid as the body loses vigor.

Doctor Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and associated organs of digestion and nutrition. It enables the proper nutrition of the body and restores mental cheerfulness as well as physical strength.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. H. Eastern, Esq., of Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not bear any solid food on my stomach for a long time. I felt melancholy and depressed. Could not sleep nor follow my occupation. Some four months ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and an convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood, and lungs.

Dr. Pierce's Pleasant Pellets stimulate the liver.

Can't you eat? O! here can. Latest improvements in Teeth. Our patent suction Never falls down.

Call and have a set with the above improvements. Old loose and ill-fitting plates corrected in fit, durability and comfort perfectly true to nature.

STORMY SCENES IN A CONVENTION—Twice during the session of the democratic Congressional convention for the Seventh North Carolina district, at Monroe, yesterday, was the meeting in danger of breaking up in a row. But at 6 o'clock in the afternoon, after having been in session almost continuously since 10 o'clock Thursday morning, an adjournment was taken, with Robert N. Page, of Montgomery county, as the nominee, and everybody happy. The first outbreak occurred on the 1,203rd ballot, when the vote stood 174-64 for J. R. Blair and 174-36 for Cameron Morrison. The chair ruled that 175 votes were necessary to nominate and then there was a storm. Blair's friends claimed a majority, and made a stout fight for their rights. The tempest raged for fifteen minutes, and then the convention voted to sustain the chair. On the 1,208th ballot Page, who was one of six candidates originally before the convention, received a clear majority. Then there was another scene. It was claimed the vote of Union county, which gave twelve votes for Page, was cast under a misapprehension. The first explosion was mild compared with the second. Delegates swarmed in front of the chairman, shook their fists at each other, and said things that it would not do to print. A free fight was expected, but the delegates did not come to blows. Union county was finally permitted to revise its vote, which still left Page with a majority. Then the storm became a calmy. All the defeated candidates responded to calls, and pledged support to their successful rival.

DEBATE OF PROMISE SUIT.—Former United States Senator Stephen W. Dorsey's recent marriage in New York has brought disappointment to a Los Angeles, Cal., woman, Mrs. Harriet Elizabeth Jorelemon. She announces through her attorneys her intention to begin a \$50,000 breach of promise suit against him. In an affidavit she discloses an alleged intimate relation with Dorsey since she met him last August, and explains that she was induced to advance from the position of private secretary to that of fiancee under a proposal that he would in the near future marry her. She says she could not have been more dutiful or affectionate toward him had she been his lawful wife. Mrs. Jorelemon says that the property in which she lives belongs to her as a gift from Dorsey in consideration of services as his housewife and in view of his alleged promise to marry her. Senator Dorsey was married on Monday last to Miss Laura Bigelow, daughter of the late John Bigelow, at Grace Church, by the Rev. Dr. William R. Huntington. After the wedding it was announced they would spend their honeymoon in Europe and return to Senator Dorsey's home in Los Angeles in the fall. It was Senator Dorsey's second marriage. He met Miss Bigelow years ago at his ranch out West. She is many years his junior.

MORGAN AND THE CUNARD LINE.—Additional confirmation was had in New York yesterday of the statement that the Morgan shipping syndicate has acquired control of the Cunard line. In reply to a cablegram sent by a leading steamship agent Thursday evening the following was received: "Agreement between Cunard line and Morgan-Griscom combination to be signed next Thursday in London. All details agreed upon."

A letter was received via the steamer Teutonic Thursday forecasting the meeting and predicting an amicable settlement between the Morgan-Griscom-Baker-Widener-Elkins and Rockefeller interests and the directors of the Cunard line. The letter said, after a general review of the shipping question: "The Cunard line has realized the uselessness of fighting the Morgan combination. The honorable chairman laid down the law to several of the objectors and clearly pointed out the advantages of such an alliance. Cunard will, in my opinion, come in. Will advise you by cable."

In connection with the alliance it was stated yesterday that the question of the Cunard line building a twenty-five knot flyer would be held over until the ratification of the combination plans has been made.

BURIED ALIVE FOR A DAY.—Isaac Pitwood, of Needmore, Brown county, Ind., came near losing his life Thursday, and he believes that nothing less than a miracle saved him. He was cleaning out a well on the Townsend farm, near Columbus, when the walls caved in, burying him alive. The well was fifty-two feet deep, and Pitwood was twelve feet from the bottom of it when the accident happened. A derrick was secured and a large force of men went to work to take out the stone in order to secure the body. The work lasted all of Thursday night and yesterday morning. When they got within four feet of Pitwood they could hear him calling for help.

THE SAME OLD STORY. J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson, N. C. For sale by Richard Gibson, druggist.

MOTHER ALWAYS KEEPS IT HANDY. "My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. For sale by E. S. Leadbeater & Sons.
